# MCEC *Student 2 Student*<sup>®</sup>

*Student to Student* is a student-led and faculty-advised program with the mission to take care of new students. An S2S<sup>™</sup> program shows students their new campus, and introduces them to their new community. It provides fun ways for new students to get to know other students, to build new peer groups, and encourage new students to perform better in school. S2S impacts the entire student body by uniting the campus to build a culture of inclusion. The results are improved academic performance and positive peer-to-peer interactions.

Programs are for all three school levels: high school, middle/junior high school, and elementary school.

### An S2S team should:

- Provide every new student a tour
- Eat lunch with the new student
- Provide academic resources and encouragement
- Provide activities to the new student to help them meet others
- 100% Acceptance: Respect for EVERY student no matter their differences
- Actively engage in serving the school and community

“This training was fun and made me very confident about helping new people.”
